SUBJECT: **FUNDING REALLOCATION FOR VARIOUS METHAMPHETAMINE SERVICE PROVIDERS**

This is to inform you that the Department of Public Health (DPH) plans to use the delegated authority granted by the Board on June 16, 2009 (Board Agenda Synopsis #35) to implement the adjustments and reallocations provision for the agreement with various methamphetamine service providers. This authority allows the Director of DPH, or his authorized designee, to reallocate funds in amounts up to 25 percent of the contract's budget, or \$100,000, whichever is greater.

DPH recommends this funding reallocation to enable various agencies to maximize their contract services and funding. DPH proposes to adjust the contract as indicated in the following attachments: Attachment 1 is a description of the services affected by this amendment and Attachment 2 outlines the agency's current and proposed funding amounts.

If you have any questions or need additional information, please let me know.

Alcohol and Drug Program Services – Description

PERINATAL OUTPATIENT ALCOHOL/DRUG FREE COUNSELING SERVICES (PODF-Meth Services)

Alcohol and Drug Nonresidential Services (or "nonresidential alcohol and drug services") are those alcohol and drug treatment and recovery services which are provided in a drug-free, non-drinking environment, that are directed towards alleviating and/or preventing alcohol and drug problems among individuals, or participants, (including, but not limited to, homeless persons), pregnant and parenting women and their children, families, specific population groups, or the general community, which do not require residency at a provider's facility as part of the treatment and recovery process. Services may include, referral of a participant for medical detoxification services, residential and recovery house services, methadone treatment program services, psychiatric services, or other treatment services deemed appropriate by Contractor and approved by Director.

OUTPATIENT ALCOHOL/DRUG-FREE COUNSELING SERVICES (ODFC-Meth Services)

Alcohol and Drug Nonresidential Services (or "nonresidential alcohol and drug services") are those alcohol and drug treatment and recovery services which are provided in a drug-free, non-drinking environment, that are directed towards alleviating and/or preventing alcohol and drug problems among individuals, or participants, (including, but not limited to, homeless persons), pregnant and parenting women and their children, families, specific population groups, or the general community, which do not require residency at a provider's facility as part of the treatment and recovery process. Services may include, referral of a participant for medical detoxification services, residential and recovery house services, methadone treatment program services, psychiatric services, or other treatment services deemed appropriate by Contractor and approved by Director.

OUTPATIENT COUNSELING (General Relief-Meth Services)

Outpatient counseling services are drug and alcohol treatment and recovery services, which include crisis intervention, counseling, and client referral services, provided to individuals and families (including, but not limited to, homeless persons) who are affected by drug and/or alcohol related problems. Referral may be made to medical detoxification services, residential and recovery house services, methadone services, psychiatric services, or other appropriate treatment services. Based upon the continuing treatment needs of client, duration of any individual's treatment hereunder shall not exceed nine (9) months. Clients shall receive counseling at least two (2) times per week, and shall attend self-help support groups at least two (2) times per week. Clients not returning for thirty (30) calendar days shall be discharged.
